

Decorative Folk Artists of Queensland Inc.

The Decorative Folk Artists of Qld Inc. is a non-profit organisation founded in 1991. The Association aims to bring together Folk and Decorative artists and to promote opportunities for the appreciation and understanding of various folk art styles and traditions. The Association meets approximately five times a year and at most meetings demonstrations of interest to members are conducted. Each member receives a quarterly newsletter which contains a painting pattern designed by one of our talented artists, articles of interest from Queensland and interstate, information on products, workshops, book reviews, news from other Associations and a list of DFAQ registered teachers and the style of work they teach.

OTHER BENEFITS INCLUDE: * Library Book Hire Scheme * Annual Convention * Demonstrations * Special subsidised workshops * 'Brush in a Rush' social days *

TEACHERS are encouraged to register with the Association their name, address, phone number and email address plus a brief description of styles they teach. This list will be available to any member of the Association and for the general public to view at any of our shows. This list also appears in the newsletter and on our website. This is currently a free service.

ANNUAL MEMBERSHIP is from 1st MAY to 30th APRIL each year.

To become a member or to renew your membership, please complete the form below and return with either your cheque/money order made payable to D.F.A.Q. Inc., your credit card details or details of your direct deposit. Please post to the following address.
